

Valeo releases the 2018 Lighting Catalogue for the Independent Aftermarket.

Saint Denis – France – 09/05/2018. Valeo releases its new 2018 edition* of the lighting catalogue dedicated to the Independent Aftermarket.

The catalogue presents the full Valeo Service offer consisting of 1862 references and 2162 applications. This new release has been enhanced with 443 additional references compared to the previous edition and represents for headlamps, an average coverage of 37,5 % ** of the European market.

Amongst the 100 new applications, 55 % features the LED technology, such as the headlamps for the new AUDI Q2 or the PEUGEOT 3008 (Car of the Year 2017) and the rear lamp of the VOLKSWAGEN Golf VII 2017 or SEAT Leon 2017 application.

Valeo Service launched the “We Care 4 You - Trust the Specialist” strategy 100% dedicated to providing each customer with the utmost tailor made solution and helpful support to ease users everyday life. The brand makes sure to deliver the best products and technologies along with the finest services possible and most of all, support workshops and keep them up to date with the technological evolutions of the lighting market.

This catalogue is the perfect embodiment of our willingness to be at the service of each customer. The latest technologies are explained and highlighted like the Audi A3 2016 MatrixBeam application, the comprehensive Valeo Fogstar™ fog lamps, Oscar™ additional lights, Bulbs, and garage tools like the

headlamp diagnostic tool, the Valeo Régloscope™ range.

Apart from the application list, the catalogue includes useful sections to help identifying the right parts and combinations: crosses sections, the buyer’s guide with all detailed technical characteristics, for the right choice.

Finally, the Valeo Tech’Care program (also highlighted in the catalogue) aims at answering all technicians needs whatever they are. Assistance, support, information on new technologies and much more.

The full catalogue is available for reading or downloading on valeoservice.co.uk

*Left hand drive for Passenger Cars and light commercial vehicles.
